

Southwest Jiaotong University

Invitation to apply for academic positions

Located in Chengdu, the capital of China's Sichuan province, Southwest Jiaotong University (SWJTU) is an elite comprehensive university founded in 1896. Excelling in engineering, SWJTU also covers the sciences and arts with its 19 faculties, institutes and centres. Its 2,600 faculty and staff offer complete undergraduate, graduate and postdoctoral programmes.

SWJTU cordially invites researchers to apply for positions across all its disciplines.

Positions and requirements **High-level Talented Leaders**

Applicants should be qualified for national top talents programmes such as the Program of Global Experts, Cheung Kong Scholars and National Science Fund for Distinguished Young Scholars.

Young Leading Scholars

Applicants should preferably be qualified for the following programmes:

- National Thousand Young Talents Program
- Top Young Talents of National Special Support Program
- National Natural Science Foundation of China Excellent Young Scholars Program

Applicants should also have a strong team spirit and leadership qualities, outstanding academic achievements, a broad academic

vision and experience with international cooperation along with the potential to become leading academic researchers.

Excellent Young Academic Backbones

Applicants should preferably be under 40 years old with degrees from first-class universities or institutes in China or overseas.

Excellent Postdoctoral Fellows

Applicants should preferably be under 35 years old and have the potential to become excellent academic researchers.

Compensation

Salaries will be highly competitive, commensurate with qualifications and experience. Other benefits include settling-in allowances, housing subsidies, child education support, start-up funds, assistance in establishing scientific platforms and research groups, along with international training and promotion opportunities. Detailed packages are negotiable.

Application procedure

Please send a curriculum vitae, copies of academic credentials, a publication list with abstracts of selected published papers, a research plan, a teaching statement and the contact details of three referees to the Human Resources Department.
